

Your Commute Just Got Easier

Introducing uberX Share ride options

How does it work?

You can now use your American Benefits Group commuter benefit and pre-tax dollars to pay for eligible uberX Share rides associated with your daily commute. No longer will you have to be at the mercy of public transit schedules. Simply request an uberX Share ride via the Uber app, select your benefit debit card as your payment method, and start saving.

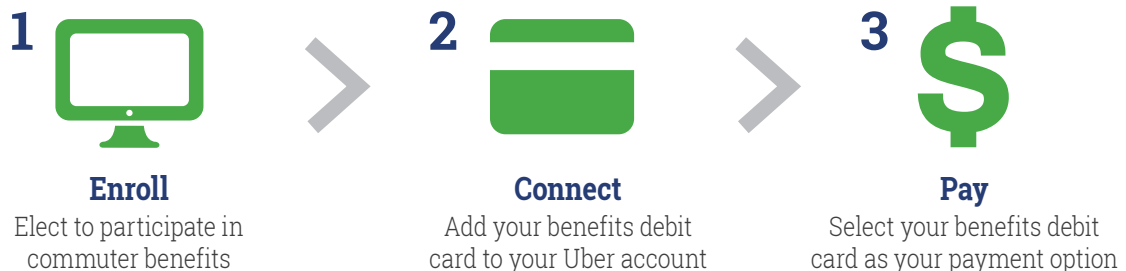

Where can I use this service?

While not available everywhere, you can use your commuter benefit for eligible uberX Share rides — minimum of six passengers required — in the following cities:

New York City	San Diego
Las Angeles	Portland, Oregon
Chicago	Indianapolis
San Francisco	Pittsburg
Phoenix	

Please be aware that this list is not exhaustive. If you see the option in the Uber app, then it's available.
